FOR IMMEDIATE RELEASE

****Update****

I-5 Overnight Full Freeway Closures - I-605 to Norwalk Blvd.

Norwalk / Santa Fe Springs - The California Department of Transportation (Caltrans) announces **changes in this week's scheduled full freeway closures** of Interstate 5 (Santa Ana Freeway) between Interstate 605 (San Gabriel River Freeway) and Norwalk Blvd. with related ramp closures. The remaining work involves removing the column shoring system in the median. Closures are subject to change and are scheduled as follows:

Wednesday, Mar. 28: Closures CANCELLED

Thursday, Mar. 29 and repeating the night of Sunday, Apr. 1:

- Southbound I-5 *all lanes closed* from I-605 to Norwalk Blvd. from 11 p.m. to 5 a.m.
- Northbound and southbound I-605 connector ramps to southbound I-5 closed from 9 p.m. to 5 a.m.
- Northbound I-5 all lanes closed from Norwalk Blvd. to I-605 from 11:59 p.m. to 5 a.m.

These closures are scheduled for separate nights and will re-open each morning. Please go to our Planned Lane Closure web page to confirm closures each night at <https://lcswebreports-new.dot.ca.gov/SearchPreAction.do?district=7>.

Please be aware that there is also an ongoing overnight repaving project on southbound I-5 between Washington Blvd. and I-605 Wednesday nights through Saturday nights as weather permits with at least one lane open at all times.

Detours signs will be in place. Consider using southbound I-710 (Long Beach Freeway) to eastbound State Route 91 (Artesia Freeway) as an alternate southbound route and westbound SR-91 to northbound I-710 as an alternate northbound route.
